Coach Evaluation Form

One of the responsibilities of the Medway Youth Soccer Board of Directors is to provide our children with the best coaching possible. Precisely what qualifies a coach as “an excellent coach” depends, to a large degree, upon the age of the players. Another factor is whether the children are participating in a recreational or competitive environment. A great coach at the high school level may not be able to relate to 6 year olds. A coach who played at high levels is not necessarily a good teacher. In fact, the coach of an undefeated team may be doing damage to his player’s abilities and psychological fitness. We strive to find and retain coaches who understand their players, the environment and who are qualified to teach the beautiful game of soccer.

This is a Coach Evaluation Form. Please help us to assess the abilities of those who coached you children. The feedback we receive will help us to identify the strengths and weaknesses of our coaches, as well as of the program as a whole. Thank you for taking the time to provide this feedback.
